Business Understanding - Problem Statement

3.24x

Actual ROAS

4–5x

Target ROAS

ROAS Below Target

Stuck at 3.24x vs 4–5x goal.
No one knew why it wasn't hitting.

Budget Being Wasted

\$16,195/month on losing
campaigns — silently draining ROI.

No Campaign Visibility

20 campaigns, no single view
of profit vs loss per campaign.

No Audience Insight

Zero data on which loan segment
or audience converted best.
